

THE ARCHIVE: An animated sale being held on Reeth village green on September 30, 1960, in aid of the Methodist Manse Restoration Fund. It just about ties in with this wonderful post
ght, that we spotted recently in Red House, a fascinating vintage shop in Bedale, for sale for £29. It is for a thistlemower for Reeth Low Moor in 1967, to be paid an extremely generous si
hour. Can anyone tell us anything about thistlemowing? Please email chris.lloyd@nne.co.uk
